Agenda

Agenda – accepted – no quorum

Financial Report – no report. BC Gaming has increased PAC funding this year to \$24/student

President's Report

VIPC – “Change: It’s Here to Stay” Speakers have been selected and confirmed. Childcare will be available through the Juan de Fuca Rec Centre. VCPAC has funding for approximately 1 ticket per PAC. This will be by reimbursement with pre-approval. The district also has the Parent Education Fund available which can be used for the conference.

KEV (Online Payment System) – This is a work in progress. Guidelines and protocols need to be established. Some PACs are using different systems which give them more control, especially over reporting. Due to the time required by staff, KEV can be a challenge for accessing reports and there is also the issue of money transfers.

PAC101 – This event was postponed due to low RSVP numbers. It may possibly worked into a general meeting.

Liaison / Member Outreach – The list will remain as it was last year with a few changes

ACTION: make changes on website

Student Education Fund

There is a motion at the board to create a Student Education Fund

Priorities for Boundary/Catchment Lines

The survey will be active soon. Notice will be sent out in various forms. District programs may also be moved.

SD61 Report

Physical Restraint and Seclusion Regulation had to be updated to comply with Ministry guidelines. The changes can be found in the district October 22 meeting packup. Look at language and communication to parents.

ACTION: feedback can be sent to info@vcpac.ca
